

February 2020

The Heart of FOM

COME FOLLOW ME! I WILL MAKE YOU FISHERS OF MEN. MARK 1:17

And they arrived in “waves “on Saturday, February 8. This team is usually large, and this year was no exception. The biggest part of the group came from Alabama. Some came from the Northeast and Midwest and doctors that came from Nicaragua and A Hygienist that came from El Salvador. When I say they came in waves they really did, from the first flight around noon until 4pm.

Like all our FOM teams this group has its own unique personality. We love each of them. Each year we look forward to seeing what the Lord will do in each life as they mold together as a team and surrender to what He has instore for them.

Again, I was not able to be there to report firsthand, but God sent Jessica to help. Thank you, Jessica, for allowing us to see the team and ministry through your eyes giving us a 2020 vision.

Greetings from Belize my friends!

We made it to the Baptist Training center in Belize. It's been a long day of travel but praise God for our safety. We got to camp around 5pm. It's the same time as Alabama 😊.

We got settled in and talked about what to expect for the week. **This year we are focusing on 20/20 vision.** I'm looking forward to seeing what God is going to do. - Jessica

BELIZE MISSION TRIP

2020 VISION

Where there is no vision, the people perish.

PROV. 29:18

Wanda, Allie and DeLyn fixed us up with a s'more kit and we made s'mores. There was a note that was in the bag that said", What do you want s'more of? I know I want more walk with Jesus and more faith. It was a great gathering!!!

It's great to be back to experience something so humbling. It is also wonderful to see friends that we have made coming on previous trips here, and the more we will form with the newbies.

So glad to see Heman, Jomie, Jack, and Yvette. We are missing several others who couldn't make the trip. They are in our thoughts and prayers. We miss them dearly. Hope to see you all back next year.

Sunday, the team had church services on the BTC campus. Pastor Shane challenged everyone for the coming week as Reese led everyone in worship.

Afterwards it's off to the Chinese restaurant for lunch. Then to the Valley of Peace as we prepare for the week. Please pray for us that God will Open our minds to all He has in store. I know it's going to be amazing.

We had a great time with the kiddos this week no doubt.

The Medical part of the team worked at VOP and Spanish lookout clinic. This picture is from the Valley of Peace clinic. I could share many stories from team members on the dental and medical teams, on how God works in each clinic and each individual, how He touched each life that was sick and needed a healing touch, to the person who needed a friend to just listen, to the team members who witnessed for the first time the moving of our Father in a situation. Even to a new relationship being built and so on and so on. However, to me this picture says it all. The testimonies tell of relationship and the love that we share with our Belizean sisters and brothers.

The group had no idea this picture was taken. They were praying over a 14-month-old baby who has a neurological disorder & was unable to stand, sit or even hold his head up on his own. We all BELIEVE God can heal this precious child. -Shannon

From Jomie- BTC

What you did is such a blessing for all who witnessed this! Sometimes we are not able to get the right meds or can't afford the right treatment for our illness, but to receive prayers, it brings hope and builds faith in God as our ultimate healer. Thank you for touching the lives of our people this week. 🙏 **To God be all the glory!** ❤️

From Darlene Scott -VOP Health Worker for VOP

To my Beloved Fishers of Men-Belize Friends, as you prepare to leave Belize, I want to say once more to you all Thank you for another successful Mission year 2020.You all are more than just a Medical Dental team to us, but good friends and family. I also want to thank everyone who supported, Helped, Contributed and participated in my Health Fair, special thanks to Dr Azuta for your planning, ideas, and support. Thank you all.

Miscellaneous pictures

**We have room
for You!**

**Where will you
serve?**

Too many pictures to post them all

Thank you to all Who served.

**Fishers of Men would love for you to share your talents
with us in ministry to grow God's kingdom**

Update for FOM's January Men's Team; The Decatur group had a small team of men who hung sheet rock and molding in the new lodge the January team built. Another team came in behind the February group painted the inside and stained the outside of the **"Garden House"**. Just before posting I received the following pictures and posts from BTC.

Our Garden House is almost complete! Thankful for the FOM teams and New Sterling's Team! 🙏🎉🍷

This is from Zac one of BTC staff: "it's very nice to see a team working at BTC, they make the camp look so much better, and now I can catch up on a lot more other work"

Thank you to everyone who made this project possible. It will serve many foreign and local missions' groups in the following years.
